

# “What about the infrastructure?”

MNF SUMMARY SHEET **1**:

## EDUCATION

### SERIES INTRODUCTION

According to RBWM’s Borough Local Plan 2013-2033, the population of Maidenhead and Cox Green will see a rise about 45%, so people often ask about the plans for new infrastructure to support this growth – schools, surgeries, roads etc. Information can be found in RBWM’s Infrastructure Delivery Plan but it’s a lengthy and complex document, so the Forum has created this series of short summaries to help residents understand what is planned.

This first sheet summarises the plans in education.

Infrastructure investment is generally funded by a combination of government grants, developer contributions and borrowing by RBWM.

Importantly, the 2019 Infrastructure Delivery Plan is a “living document” which is continually updated, with new projects, new cost estimates and new proposed timings. Some of the projects e.g. the new leisure centre, have already happened.

The full RBWM Planning document can be found under Infrastructure at: <https://www.rbwm.gov.uk/home/planning/planning-policy/evidence-base-and-monitoring/evidence-base>

# MNF SUMMARY SHEET 1:

# EDUCATION

	Project	Purpose	Delivery Partner	Est. Cost	Period
1	New <b>Primary</b> school at Chiltern Rd (ex. Oldfield)	Support BLP growth	tba	}	6-12Yrs
