

# “What about the infrastructure?”

MNF SUMMARY SHEET 2:

## TRANSPORT

### SERIES INTRODUCTION:

With the population of Maidenhead set to rise by around 40% over the next ten years, people often ask about the plans for new infrastructure to support this growth – schools, surgeries, roads etc. The plans are to be found in RBWM’s Infrastructure Delivery Plan but it’s a lengthy and complex document, so the Forum has created this series of short summaries to help residents understand what is planned.

This second sheet summarises the plans for transport.

Infrastructure investment is generally funded by a combination of government grants, developer contributions and borrowing by RBWM.

Importantly, the 2019 Infrastructure Delivery Plan is a “living document” which is continually updated, with new projects, new cost estimates and new proposed timings.

The full RBWM Planning document can be found at:

<https://www.rbwm.gov.uk/home/planning/planning-policy/evidence-base-and-monitoring/evidence-base>

## MNF SUMMARY SHEET 2:

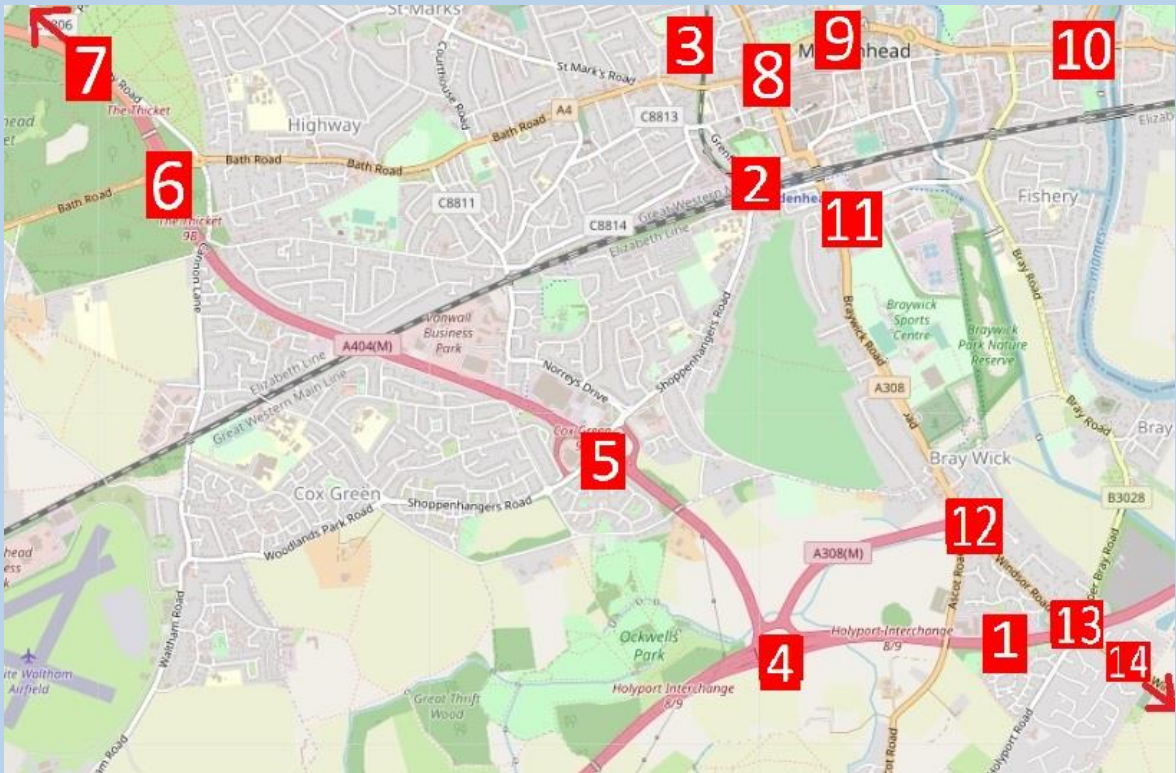

# TRANSPORT

Project	Purpose	Delivery/Funding Partner	Est. Cost	Period
1.M4 Smart motorway Project	Increase capacity/ support growth	Highways England	£586 - 862m	1-5Yrs
2. Maidenhead Station	Crossrail improvements	Crossrail	n/a	1-5Yrs
